Exhibitor Services

We have proudly appointed PYRAMID DISPLAYS as our official Exhibition Contractor.

Presenting a full-service exhibition experience, they are able to supply you the hire of all your exhibition needs from furniture and floors, plants and audio-visual equipment, extra power or lighting and stand upgrades to full custom stand design and construction.

Mid-August 2021, Pyramid Displays will send you an Exhibitor Kit with options for the above as well as a request for your fascia signage requirements. This Kit will include your deadlines for signage, printed graphics, upgrade power if required & hire item orders & payment.

Whilst you wait for your Exhibitor Kit, you are welcome to visit Pyramid Displays user friendly website www.pyramiddisplays.com.au to view all hire items. Please do not submit requests for quotation until you have received your exhibitor kit as this is when Pyramid Displays will be notified of your allocated booth & contact details.

However, if you are interested in standing out from the crowd or making a bold statement with a booth upgrade or custom stand, please contact Kelly Davies direct on kelly@pyramiddisplays.com.au or 07-5522 1133 sooner rather than later. Pyramid Displays have a fully equipped custom workshop & excel at producing unique custom stands. Regardless, if you have an existing relationship with another builder, we highly recommend receiving a competitive quotation from Kelly as, not only are they our preferred builder but being onsite already, they should be more cost effective & most definitely, more proficient onsite with your build.
