Storage

There will be very limited on-site storage facilities for packing materials and boxes (A4 size).

It is recommended that exhibitors consider their storage needs (of packing crates and freight forwarding materials) for the duration of the exhibition.

Exhibitors may not leave boxes and packing material in the exhibition display area during the show.

The official freight forwarding company can arrange off-site storage at a cost – more information will follow shortly.

Exhibitors are welcome to carry in their own items during the exhibition set-up hours.
